

Data Analyst

Description

Come on board with Neo Group! Here's your chance to stir things up in the iGaming scene with us. We're not just expanding; we're revolutionizing the entire game, mastering profitability with every new venture. But you know what truly fuels our drive? It's people like you. Join us as we embark on a journey to redefine gaming on a global scale.

Requirements

- Proficient in Tableau: creating complex dashboards, reports, data management, performance tuning.
- Strong SQL skills for data extraction and manipulation.
- Experience with [ETL](#) tools and data integration.
- Knowledge of other BI tools (e.g., Power BI, QlikView) is a plus.
- Ability to perform deep data analysis using statistical methods.
- Experience handling large datasets and identifying key insights.
- Understanding of business processes and translating them into technical requirements.
- Experience working with business stakeholders to understand and address their needs.
- Team player with strong communication skills.
- Good presentation skills to convey analytical findings and dashboards.

Nice to have:

- Experience in the iGaming industry;
- Certifications in data analytics and Tableau (e.g., Tableau Desktop Specialist, Tableau Desktop Certified Associate) are a plus.
