Renew Platform and Business Intelligence PM

Description -

Company Introduction

HP was founded in 1939 and is still a leader in the industry with over 80 years of excellence. One of key growth strategic areas is the newly created HP Workforce Solutions (HPWS) Business Unit. Services Supply Chain (SSC) plays a pivotal role by delivering over 9 million spare parts annually and repairing 650,000 units worldwide.

Organization Introduction

In this position, you will be a part of the SSC Global Services Delivery Solutions & Sustainability Solutions team, whose mission is to develop scalable capabilities and solutions to support the HPWS portfolio. Our primary goal is to maintain global consistency in service transition and delivery, ensuring an exceptional customer experience while upholding financial excellence. We are committed to becoming an industry-leading, sustainable, and socially responsible service provider.
