

## MLOps Intern

### Description

As an [MLOps](#) Intern at Digital Catapult, you will have an excellent opportunity to gain hands-on experience in Machine Learning Operations (MLOps) and to work alongside our passionate AI/ML Technologists and Data Scientists towards a grand mission of contributing to BridgeAI, a national level programme that aims at accelerating the AI innovation journey.

Your job will include developing reusable MLOps automated pipelines using open-source tools on cloud platforms that will help organisations to quickly operationalise their AI/ML models. You will need to be passionate about researching and learning various MLOps tools/ platforms to support the implementation.
