

Data Scientist – Marketing

Description

At Twinkl, we encourage diversity, and our doors are open to everyone. We're committed to creating an inclusive workplace for all. If you need any adjustments during the application process to showcase your abilities, please let us know. We're here to support you on your journey.

We embrace a remote-friendly culture, giving you the flexibility to choose where you work best. Whether it's from our amazing HQ in Sheffield, remote or something in-between, believe that your best work happens when you have the freedom to create your ideal workspace.

Location: Hybrid, Office-based, Remote

Annual Salary: up to £50,000

Contract: Permanent

Recruiter: Rikki Spencer-Cox

Hours: 37.5hr pw

Closing Date: 31st of May

Our Unparalleled Evolution:

We are purpose-driven, helping support educators across the world with high quality educational resources. Born in a Sheffield bedroom, we've grown into a global powerhouse with over 1500 employees in 13 short years and are now the UK's digital education giant and a global leader in our field – a testament to our commitment to fostering a workplace where everyone thrives. Now, backed by strategic investment, we're evolving our ways of working to further explore exciting and innovative avenues to support the global teaching community, and sustainably support us through our ambitious growth plans.
